

# MIPS IA MEASURES WORKSHEET

## **Improvement Activities Category**

| Max points         | 40                             |
|--------------------|--------------------------------|
| Category weight    | 15%                            |
| Performance period | Minimum of 90 consecutive days |

# **Category Requirements**

Report a combination of Improvement Activity measures (up to 4 measures) to equal a total of 40 points.

\*Small practices (less than 15 Eligible Clinicians), rural or Health Professional Shortage Areas get double points for high and medium weight measures.
